

Compleat[®]
NUTRITIONALLY COMPLETE TUBE FEEDING FORMULA

Wholesome feeding starts with me

USE UNDER MEDICAL SUPERVISION

Wholesome formulas designed with you and your child in mind

Being able to nourish yourself or your little one with the wholesome ingredients you value feels good.

At Compleat®, we share your passion for exceptional tube feeding nutrition. That's why we provide a wide range of real food and plant-based options with the wholesome ingredients that you want—and none of the ingredients that you don't. With Compleat®, there's a wholesome option for everyone—so you can nourish yourself or your little one the way you want.

DID YOU KNOW?

Compleat® was created in 1971 and has been trusted by physicians to provide wholesome tube feeding nutrition for over 50 years.

Nutritionally complete tube feeding formulas you can feel good about

With Compleat[®], there's a formula that's right for you and your child.

ORIGINAL

The ORIGINAL Compleat® formula made with real fruit and vegetable ingredients

- Protein from milk, chicken and peas
- Contains 1/4 cup equivalent of real fruit and vegetable ingredients per carton
- No corn or soy ingredients

Compleat® ORIGINAL PLANT-BASED Calorically dense with fruit and vegetable ingredients

- Delicious fruity flavor for tube feeding or drinking
- Contains approximately 0.4 cup equivalent of real fruit and vegetable ingredients per carton
- None of the common food allergens

ORGANIC BLENDS

Certified organic blenderized whole foods

- Contains at least 1 cup equivalent of real fruit and vegetables per pouch
- Plant-based and chicken protein options
- Find your formula at www.Compleat.com/formula-finder

Meet Mila

At only 5 months old, Mila needed surgery. This led to a few complications with eating, so she had to get a G-tube placed to support her nutrient needs. After trying a few tube feeding formulas, Mila found Compleat® Pediatric Organic Blends was the best fit for her.

PEPTIDE

Plant- & peptide-based to support tolerance with fruit & vegetable ingredients

- Hydrolyzed pea protein for those seeking vegan/plant-based
- Contains at least 1/4 cup equivalent of real fruit and vegetable ingredients per carton
- None of the common food allergens
- Available in two caloric densities

Meet Kaysen

“We were introduced to Compleat® by our dietitian who helped us choose a tube feeding formula with real food ingredients. We couldn’t be happier with Compleat!” — *Kaysen’s mom*

STANDARD

Wholesome plant-based nutrition for tube feeding or drinking

- Standard formula made with pea protein for those seeking vegan/plant-based alternatives
- No artificial flavors, colors, or sweeteners
- None of the common food allergens
